

OUTDOOR HEATED SWIMMING POOL AND HYDROMASSAGE TUB MOST OF THE YEAR

The appeal and excitement of bathing in brackish water - a unique experience for psychophysical wellbeing - is truly a pleasure worth trying.

For the sports-minded, the swimming pool includes a "Thousand bubble" Blower - a swim-against-the-current feature with water jets - to try the warm embrace of thousands of extra fine bubbles and abandon yourself to a unique and effective neck and shoulder massage.

Something different at last for those who know how to see beyond the obvious, still want to be surprised, and enjoy losing their bearings on holiday before reconnecting with reality.

FIRST-CLASS BUFFET RESTAURANT

Completely new with soft pastel colours, the restaurant is arranged in islands, to offer more relax and intimacy in an enfolding atmosphere that is a pleasure to experience. The quality of the food and the right atmosphere make eating a true pleasure.

The buffet offers a lot to choose from the most typical and tasty dishes of Romagna like the piadina that cannot be missing with a glass of good Sangiovese or Trebbiano wine. Fresh fish from our sea, delicious cakes and tasty appetisers.

Every week the candlelight jazz evenings in the garden alternate with the Romagna and seafood ones. If requested by our guests we pay great care to celiac sufferers and offer a rich choice for vegetarians.

Extraordinary things are always happening at il Select. Because in no other place do children feel free to be children. While the mother relaxes, the children have a ball. Together, you will find everything you need for an enjoyable holiday.

Baby Restaurant to lunch and dine with friends and staff, fully-equipped kitchen available for new mothers, organisers of group games, treasure hunts, festive picnics, fashion shows, sports tournaments. A safe, shaded beach area where a loving baby sitter waits for them every afternoon.

In the new, cheerful and colourful baby room are many new games for all age groups, Disney Channel and two Playstation consoles.

Flexible restaurant hours, fresh milk every day, high chairs and cots, safety sideboards, drawable napkins, mini bathtubs, Walt Disney fairy tales and video tapes.
